A big welcome to our new students who started school this week and their whānau (families). They are Declan Helmbright and Annabeth & Alexander Kurniadi who have just recently arrived in the country from Indonesia.

Chop Suey Fundraiser - A heartfelt thank you from the Senior class for your support with the recent Chop Suey fundraiser. We raised \$500 which will all go towards funding the Senior Camp at Wanganui in Term 4.

Parents Meeting/Science Fair - A big thank you to those who managed to pop down yesterday for our meeting and to have a look at our children's science boards. The students have all worked extremely hard on these and it shows. If you didn't have time or the opportunity to view the Science Boards in Pohutukawa (the room next to the office) please do take the time to pop in and have a look. The display will be open mornings and after school for the remainder of the week. He mihi nui (thanks) to Kuia Oriwia who has been an integral part of the team to bring this all together along with her wonderful freshly cooked scones for afternoon tea.

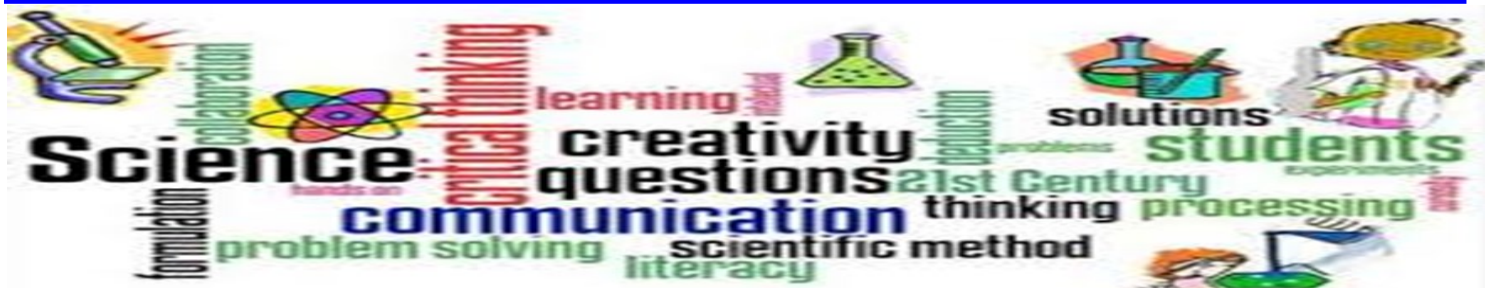

'Engineers without Borders - EWBNZ' met with our Senior Class last week and they they spent an engaging afternoon participating in a variety of interesting and new science activities. One of our past students Terry Miller is a member of EWBNZ who are a voluntary group that provides engineering assistance to communities in need throughout the Pacific Islands and New Zealand. They do this through working with partner organisations in the local community, and helping them to achieve their self-identified needs.

Subway Lunch - orders need to be at the office by 9am on Wednesdays- please remind your tamariki to get envelopes from their Teachers.
