We have been lucky with the weather and the rain is holding off- let's hope it stays away until the weekend.

Wednesday 15th August- School will be closed for instruction - Kids on Foot who run the afterschool programme in our school hall are running a day programme, if you are interested or require more information go to;
www.kidsonfoot.aimyplus.com or www.facebook.com/kidsonfoot or ring 021 2922894.

School Camp - Last week Senior students were given information about Camp. **Have you returned your pānui** (newsletter) advising which time suits you best for the parent meeting to be held on Thursday 30th August in Tawa Class. It is important that you attend this meeting if you have a Year 6, 7 or 8 child.

New Staff - We welcome Matua Masi (who is based in Kauri) and Whāea Sia (who is based in Rata) to the team - they are our new Teacher Aides for this term.

Community Notices

Whaiora Health Petone will not be providing doctor or acute services from 1 September due to a temporary doctor shortage. Patients needing doctor/acute services can be seen at the Pomare clinic, please ring 568 6392 or 5676414 to make an appointment. From 1 September the Petone clinic will only be open on Tuesday, Wednesday and Thursday each week to provide community health worker, counselling and some nurse services. We apologise for any inconvenience and hope to restore all services to HUCHS Petone in the future.

In the Garden

As spring is fast approaching the activity in the garden is starting to pick up. Last week the students picked a cauliflower as big as your head and we have cabbages almost ready to harvest.

Recycling Programme

The recycling programme is now well underway school wide, with staff, students and support from our cleaners. This past week our senior recycling monitors (students) have started taking the compost buckets to our compost bins and our first mixed recycling bin went out on the curb for collection.

How can you help support our programme?

Overall we are looking to reduce our waste, with this in mind consider what comes to school with your child for morning tea and lunch. Attached to the pānui is a helpful information sheet on Litterless Lunches provided by the Sustainability Trust.
