Kia ora Koutou

Officially 'Spring has Sprung' along with the wet and cold weather which appears to have set in for the week, our gardens will be benefiting from the extra moisture.

Breakfast Club - We are fortunate to have a number of volunteers (school parents & St Augustines church members) to run our breakfast club on Monday, Wednesday, Thursday and Friday mornings from 8.15am. This is a warm and friendly place for our students in the morning when they arrive no earlier than 8.15am. As mentioned last week we have no school staff on site before 8.15am. If your child needs to be here at an earlier time please make contact with Kids on Foot Before school care www.kidsonfoot.co.nz.

Onesie Day this Friday- can your child please dress up in a onesie or pyjamas and bring a gold coin donation. All proceeds will go towards the Wellington Free Ambulance who are the only Emergency Ambulance service in the greater Wellington region and the only free service in NZ.

Sustainability Trust - In line with our recently introduced recycling programme we as a school are learning more about sustainable environments. We are fortunate to have Kim from the Sustainability Trust working in class with the students across the next two days. The students are learning about and creating their own mini worm farms, eventually we will have our own mobile worm farm. The students will be rich in understanding the importance of being kinder to and nurturing our environment.

Interzone Swimming - our students competed well at the Interzone meet last week, it is always a step up and good exposure for our students to compete with and see other students swimming competitively.

Subway Lunch - Subway orders are every Wednesday, 6 Inch Combo \$6 or 5 Inch Mini Combo \$5 - envelopes are available at the office.

Have a good rest of the week stay safe and warm over the weekend.
