Week 4 is here and we have been lucky with the weather holding off this week.

Cultural Celebration— He mihi nui (thanks heaps) to our whānau (families) for supporting our culture day last week, what a colourful day with some absolutely delicious food shared across the school.

Athletics Day - Yesterday we had a great time with Athletics, it was really awesome to see the sportsmanship and effort from our students. Congratulations to those who have placed and are heading to Interzone next week.

NZEI Strike - A reminder that due to the rolling strikes across the country, our school will be closed for instruction on Friday the 16th of November.

Recycling Project—Please keep sending in recycled materials for students as they will be using these for their wearable arts, the more variety we have will see more creative designs by the students.

Please be advised that the date of our Prizegiving has changed. Prizegiving will be on Monday 10th of December from 11am to 12noon, due to hall availability.

Have a good rest of the week Everyone.

Action in the Mara (Garden)

With the change in season this is a busy time in the garden. The kids had a great time moving mulch (apparently some of them would happily do that every week!) Others painted plant names on markers to put them in the garden.

They could choose to do one thing the whole time, or mix it up. It's not usually practical to do it that way, and it was cool for the kids to be able to choose what they wanted to do.
