We are now into December and the end of term is fast approaching.

EOTC Week - Although the weather has been very random, wet, windy and sunny our students have still been able to participate and have heaps of fun with the scheduled activities. All of our students have been to Flip Out which was extremely popular with both the students and staff. There are a few more activities planned across the week finishing with a swim at McKenzie Baths on Friday morning 10am to 1pm. Please ensure your child comes to school on Friday with their swimming gear (towel, togs) along with extra food and a water bottle. Parents are welcome to join us at the McKenzie baths.

School Prizegiving - This will take place on Monday 10th of December commencing at 11am. There will be light refreshments for our Manuhiri (visitors) and for our Year 8 senior students who will be leaving us for college in 2019.

School Reports - These will come home on Friday 14th of December with your child. Please advise the school office if you are commencing your holidays early so that we can ensure you receive your childs report.

Last Day of School - School will finish next Friday 14th of December at the normal time of 3pm.

Have a great weekend Everyone.
