Come and Support our School!

All proceeds from fundraising on the day will go towards the replacement of our school playground.

To be part of our audience, you can register for free at www.whatnowtv/bonus/audience
Kids and adults who are registered could be chosen to play a cool, messy game on the live show too!

IMPORTANT!

If you are unable to register online, no worries! Please just rock on up! This is free, feel good family-friendly entertainment at its best and we would love to see as many smiley faces in the crowd as possible!
