Tēnā Koutou Katoa,

Well haven't we just had the most amazing summer weather, perfect timing for our Swimming Programme which kicks off on Monday the 18th of February. Our swimming programme will run everyday for 2 weeks.

Swimming Lessons - All students will have daily swimming lessons led by Swim City Instructors at the McKenzie baths starting next Monday. All students will need to bring their togs, a towel and a bag for their wet gear. You might also consider putting a little extra food in their lunchbox as they do get hungrier.

He mihi nui (a big thank you) to all of our supporters for offering to help with the various activities around the school. This weekend is the Petone Fair where our outdoor play area is used for car parking. Volunteers will help direct cars safely into car parks. We still require **3 more volunteers**, one for the 10am -12pm and two for the 12pm - 2pm slot. Please call the office if you can assist.

Sun Hats Please : Just another reminder to ensure your child has a hat in their school bag everyday. We still have a few students coming to school without their hats.

The school provides sunblock for the students and they must wear a hat while outside.

We have a "No hat, No play" policy so please make sure your child has a hat for our summer sun.

Reroof Project - We have had the Pharoah team on site since the beginning of November and the end is in site with a new roof. Final touches are to be applied this week.
