Week 4 is upon us, it has been a very quick start to the term!

We would like to thank our parents, staff and tamariki for helping out on the weekend with the car parking fundraiser at school. The Petone Fair was a hit, and so was the parking!

Congratulations to two of our students, Teanna (who won the Beauty hamper) and Talea (who won the jar of lollies). We raised close to \$1000 towards our playground!

What Now -A big mihi (thank you) to our parents who have offered to help and bake for 'What Now' this Sunday. We ask if there is anyone else who can help with baking to please drop the baking in to the school office on Friday 22nd so that it can be wrapped and priced, ready to sell. We would also welcome more volunteers to help with serving food if you are available.

Swimming Programme - well done to those students who have remembered to bring their togs. We have a challenge running at the moment for house points. Students who bring their togs, get in the pool, and participate in their swimming lessons receive house points, so keep up the great work everyone.

Year 7 & 8 Technology - Our Year 7 and Year 8 students must be at school by 8.30am on Thursday, so that they can go to Technology at Avalon Intermediate by bus. There will be no one from school running them to Technology if they are late, so any latecomers will spend the day in the office.

School Attendance - Please make sure you let the Office know if your child is going to be away or sick. If your child arrives after the 9am bell they need to pop into the office to advise they have arrived.

Medical Update—Some of our medical information is out of date, so this week we have attached to this notice a medical update form. Please fill this out and return it to school as soon as possible, thank you.

Have a great weekend Everyone, good luck to all of the Kaihaka (Kaphaka performers) as they stand to shake the ground and show their talents for Te Matatini, Karawhuia!
