Week 2 is well underway for the term, let's hope we have some nice weather peeking back at us soon!

Seesaw - This term we are trialling a digital application called 'Seesaw' in class. This is an online portal where you are invited to view your child's work, see what they have been doing, and also interact with their work by leaving comments etc. Please make sure that your child's teacher has your email address if you have not been added to the class yet.

Kauri class have this up and running, parents are loving being able to see their child's work and students are enjoying being able to show their achievements.

School Gates - This term we have a couple of students enrolled who require all gates (Britannia Street & Elizabeth Street) to be closed at all times to ensure their safety. Please can you help us out by closing the gates behind you when you come through.

Whānau Support In School - A pānui is attached to this newsletter asking for your support with Road Patrol and Breakfast club in the Whare Kai. Please complete and return to school.

We will be keeping a close eye on attendance and lateness to school this term. Please remember to notify school if your child is going to be away and or is going to be late.

Enjoy the rest of your week!

The students have been busy in the garden weeding and spreading mulch to prepare the garden beds for Spring planting.

The Worm farm is thriving with all the additional greenery thrown their way.

We have also planted our garlic (shortest day of the year harvested on the longest) and our potatoes.

Dr. Seuss QUOTES

Don't cry because it's over. SMILE, because it happened

Why fit in, when you were born to stand out?

Sometimes the questions are complicated and the answers are SIMPLE

Today you are you that is truer than true. There is no one alive who is youer than you.

A person is a person no matter how small

Teeth are always in style.

From there to here, from here to there. Funny things are every where.

Today I shall behave as if this day will be remembered

Hutt City Council and Upper Hutt City Council have partnered on a campaign to help support residents reduce their waste. The new website www.sortwaste.nz has heaps of [tips and tricks](#) to inspire residents to reduce their daily waste. You can watch videos and hear about local people who are on their waste reduction journey. A quiz puts your knowledge of how to reduce waste to the test and suggests ways to improve. You can win great prizes – laptops, Mitre10 vouchers, Waste Management subscriptions and hundreds of smaller prizes to help people on their waste minimisation journey. Start by reading some of the [tips](#), [tricks](#) and [inspiration](#) to see what you can do to reduce waste around your home. [Take the quiz](#) and go in the draw to win great prizes. Help others on their journey by contributing your own tips and tricks to help your community. (If you or someone you know wouldn't mind being interviewed – get in touch!) Not only will you be doing your part to look after your country, but by making some quick and easy changes you could also save yourself time and money.
