Kia ora Koutou

We welcome two new students and their whānau to our school this week.

**Schoolwide Badminton** - The 3 day badminton program delivered by Hutt City Badminton last week was very popular with all of the students, hopefully you checked out our Facebook page and saw some of the photos. Whāea Katie as Sports Facilitator has a goal of introducing a wider range of sports to all of our tamariki (children) through out the year. Next week the students can look forward to cricket on Monday and Tuesday.

**Interzone Swimming** - We wish our Senior Swimming team (Y6, Y7 & Y8) all the best as they represent our school on Friday at Huia Pool, Lower Hutt. Parents & Whānau are more than welcome to go along and support the team, swimming will commence at 10.40am.

**How to Keep Your Kids Safe on the Internet** - As young people use more digital technology, it's important we teach them about online safety. While there might be a gap between what your child knows and how much you know about technology, you don't have to be a tech expert to help. You can offer life skills, maturity and experience your child hasn't developed yet. Check out this link for 'Internet Safety Tips' for you and your child

<https://www.netsafe.org.nz/online-safety-for-parents>.

**School Hours** - Thank you for ensuring your tamariki students are not on site until 8.15am. There has been a positive decrease of students being here super early.

**School Sores** - We have had an isolated case of School Sores identified in school, keep an eye out for any blisters on exposed parts of the body, such as hands, legs and face. Treatment is required and children can return to school 24 hours after treatment has started. For further information go to <https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/impetigo-school-sores>

**Countdown Visit & Support** - A big mihi (thanks) to Matt, Dawn and the team from Countdown Petone for coming in last Friday and supplying and cooking breakfast for our students. They really enjoyed the kai (food) and interacting with new people.

We are truly blessed with community support from Countdown, Whānau, and St Augustines volunteers, thank you!

Have a great rest of the week Everyone
