Principal's Message:

Kia Ora Koutou,

We only have a few weeks left of term as we finish on Friday the 3rd of July. Time certainly has flown by that's for sure!

Great work whānau for signing in to the school office, and a gentle reminder that there should be no students at school earlier than 8:15am, unless signed into Before School Care.

Thank you to all Whānau who have returned money and tickets for our school raffle. We appreciate your support. The winners are listed in the raffle winner section of our newsletter.

A big welcome to our new students who have joined the school whānau (family) this week.

As the weather is getting colder, please make sure that your tamariki (children) have warm clothing.

It is also important that if your child is sick or has symptoms of being unwell, that they remain at home until they are better. We expect that if your child is sick at school, that they go home. Please make sure that the Office has correct contact details in case we need to get hold of you. We have had a very frustrating event recently where we could not get hold of whānau members when their child was sick.

We will not be offering a lunch ordering option at school over the next term as we did not have enough interest to continue the service.

Have a great week Everyone,

Whāea Trina
Tūmuaki

Important Dates for the Term:

3rd July: Last day of Term
4th July-19th July: School Holiday
20th July: Start of Term 3

Kānuka Art and Writing:

Kānuka class have been learning how to draw different expressions in art. They have also been learning to write about feelings and add detail when writing. After the earthquake on May 28th, they wrote about the earthquake and how they felt.

I was at home in the play room. I felt the earthquake. It was shaking. I didn't do anything. I wasn't scared, I was happy.

By Lucky

Today in the morning. When I was trying to put my shoes on I felt an earthquake. I almost cried. I was hugging my mum very hard. When it stopped my brother cheered me up. Then I had breakfast. After breakfast I put my other shoe on. Then I grabbed my lunch box and bottle. Then I went in the car. Then I forgot about when the earthquake happened. My baby brother liked it and when the earthquake happened I was going to go under the table.
