Principal's Message:

Kia ora Koutou,

Welcome back to Term 3, and we hope that you had a great break.

We farewelled some of our students who returned to France with their Whānau, and we have welcomed new students to school (into Rātā and Tawa classes)

Please remind your tamariki that if they are late, they MUST check in at the Office, as notifications are sent to parents when students are marked as absent.

Technology starts for the Year 7 and Year 8 students this week, and messages have gone out from Whāea Laisa and also a bulk message to parents of Tawa class via Etap.

If you have not been receiving pānui, please make sure that you let your child's teacher and or the Office know. Please also inform the Office if your personal details have changed.

Attendance:

Once again thank you to those who have made an effort this year to improve your child's attendance at school. We will continue to monitor and work towards a higher attendance rate for all of our students.

We also do understand there are very valid reasons for when a child cannot be at school. One of these is illness, such as RSV (Respiratory Syncytial Virus) which has very similar symptoms to that of the flu and is currently out in the community.

When your child is sick please keep them home and simply call or email to advise the school office.

Kāuri Class:

Term 3 is off to a flying start in Kāuri class, we have been focusing on the Olympics and have been enjoying learning about the different events that occur at the Olympics. We enjoy watching events when they are on and even start chanting for our New Zealand team hoping they can hear our support!

We have started to learn about the history of the Olympics and how they started, who they were for, the purpose of the olympic torch and what the Olympic rings represent.

We are looking forward to seeing team New Zealand get some more medals and are counting down to week 5 when we will start doing Athletics in P.E.
