Principal's Message:

Kia ora Koutou,

Week 3 already and the time is surely flying.

I would like to take this opportunity to thank our parents once again, for your understanding of our Level 2 operations at school. We follow advice from the Ministry of Education, and we want to ensure we are all safe and following correct processes.

Under Alert Level 2, any event that brings people on to the school site will need to have the rules for gatherings applied. We are doing our best to follow the rules, and we thank our parents for being respectful by dropping students at the gate, and staggering times for drop offs and pick-ups.

Please remember if you come into the school grounds, you must wear a mask and make sure that you have scanned. We want to keep the COVID bug out of our school, so we are doing our part by following the rules. Please be respectful of this as there are lots of things that we can't do under Level 2.

Enjoy the rest of your week Whānau

Māuri ora,
Whāea Trina
Tūmuaki

As part of this we have been looking into who we are, where we come from and seeing what connections we have to others in class.
